VANISHED YANKEE INDUSTRY

Once the most important industries in the New England part of the nation, the grist mill and the saw mill were the focal and busy centers of any town. This old grist mill in Sudbury, Massachusetts was restored by Henry Ford as a museum across from the Wayside Inn which was immortalized by Henry Wadsworth Longfellow in his "Tales of a Wayside Inn". In this single area is the schoolhouse made famous by Mary's little lamb and the beautiful Martha Mary chapel. The old mill above still run by its water wheel grinds meal with the stones in the casings at top.

Election and Town Meeting Dates Discussed

MATTAPOISETT SELECTMEN'S MEETING
MARCH 21, 1989-by VIRGINIA MORGAN

In order to be in conjunction with the towns of Marion and Rochester for special town meeting and elections for overrides, Mattapoisett Selectmen last Tuesday tentatively set the date of May 16 for a special town election for overrides and for the $10.8 million Old Rochester Regional High School bond issue and asbestos removal, if the bond issue and asbestos removal pass at the May 1 annual town meeting. If the asbestos removal article fails, a Special Town Meeting will be held on May 23.

Selectman Bernard F. Talty, who served as Chairman in the absence of Chairman William F. Hubbard, explained Selectman Loretta Schaefer of Marion recommended the meetings be scheduled before the end of the fiscal year on June 30. The bond issue article and the asbestos articles need approval of three town meeting votes. Marion's annual town meeting will be April 24 and Rochester's May 15.

A recommendation by Mrs. Schaefer to hold an election on May 26 was not seen favorably by Mattapoisett Selectmen and Town Administrator Lois K. Ennis because that is the Memorial Day weekend.

Mrs. Ennis suggested the Selectmen consider changing the dates of the election and town meetings to occur closer together, or at the same time, as does the town of Marion. Selectman John N. DeCosta said not this year but perhaps a change could be considered next year.

In other business, Selectmen:

3/4 ton truck for Shellfish Constable Brian Nunes at a cost of $5,500.

Selectman Talty said the truck is owned by William A. Wood and is in excellent condition. It has been checked by Mr. Nunes and Town Mechanic John Bowman. Mr. Talty said the Blue Book lists the truck at $7,500.

Mr. Nunes said approximately $5,200. is expected from the State Division of Marine Fisheries and can be used for the truck purchase. He noted the present truck is unsafe to drive and the body is completely gone, but that he would check with other town departments to see if they can use any of the parts.

Selectmen will check with the Finance Committee to remove the article for a new truck scheduled for inclusion in the annual town meeting warrant. Selectmen will also check to be sure the money from the State can be used for this purpose and when it is expected to come to the town.

DENIED PERMISSION to Edward Moussouris of Westwood to operate a small vending cart, pushcart or mobile food unit in the town's beach area and to possibly sell T-shirts.

Selectman DeCosta said he personally felt the wharf and beach areas have sufficient coverage. A letter will be sent saying the Board feels the town is well served at this time.

APPROVED the layout of Abbey Lane (off North Street) as a town road and will support an article at town meeting for acceptance of

the road by voters.

Present at the hearing were Highway Surveyor Wesley N. Bowman and Michael J. Hegarty, resident of Abbey Lane. Mr. Bowman said the road now meets specifications with the catch basins corrected. Letters of approval were received from Water/Sewer Superintendent William T. Nicholson, and the Planning Board.

RECEIVED A LETTER from Building Inspector Andrew J. Bobola regarding the revocation of a building permit issued to Mr. and Mrs. Prentiss Higgins of Wellesley concerning their property at 7 Shipyard Lane.

The inspector was notified by Police Safety Officer R. Stanley Ennis of a potentially dangerous situation at the Shipyard Lane address with two in-ground swimming pools with water in them and no fencing around them. He noted a state building code is very explicit that fencing be required for the general overall protection and safety of the general public.

As of the date given by the inspector for the owners to rectify the fencing violation, nothing had been done. Therefore, the inspector asked a local contractor to provide temporary fencing around both pools with the bill to be sent to Mr. and Mrs. Higgins.

RECEIVED word from the New Bedford Animal Rescue League that they cannot obtain sodium phenobarbital, which is used by them in the euthanising of animals at their facility. Mattapoisett is under contract with the League. The League recommends that Mattapoisett take the responsibility of delivering the animal, when appropriate, to a veterinarian for this purpose, with Mattapoisett paying the charges.

At the present time the town's contract calls for $5. per dog to be put to sleep. The town would have to transport the animal from the League to the Veterinarian, with the veterinarian's charge of $20. to pay.

RECEIVED A LETTER of application to the Conservation Commission from Daniel J. Bungert, 2 Beech Wood Road.

Mr. Bungert writes: "I have a keen interest in the town and feel that it is a beautiful town with a traditional atmosphere. I would like it to remain in this pristine state and that is the main reason for my applying for the position on the Conservation Commission. Mattapoisett has been a part of my growing up and now I feel that it is my turn to help shape the growth of our town."

There are presently five applications for an opening on the Conservation Commission. Selectmen will make an appointment by April 30.

WILL MEET with the Water/Sewer Commissioners on April 3rd to discuss Capital Expense Project bidding procedures. Chairman William F. Hubbard and Selectman DeCosta plan to attend.

48 YEARS OF SUPER SERVICE

I'd like to tell you about one of the best car salesmen that ever was: his name is Joe. He doesn't wear a suit to work, his shoes never shine and more often than not, Joe has a spot or two on his shirt.

But Joe knows how to keep a customer satisfied. You see, Joe is a mechanic at Park Motors Oldsmobile in Fairhaven. And he knows that Park Motors' customers expect, and have every right to expect, super service. Mr. Schwartz wouldn't have it any other way. Neither would Joe.

Joe has sold more Oldsmobiles for Park Motors than the most shiny-shoed salesman will ever sell for anyone.

The next time you see a car with the Park Motors' emblem on the back, ask them if they like their Oldsmobile; ask them if they know Joe. Ask them if they get super service.

Mr. Schwartz still won't have it any other way, and Joe would be disappointed if you did.

MEETING IN EXECUTIVE SESSION with the Housing Authority regarding consideration of the purchase, exchange, lease of real property, no definite conclusions were reached at that time.

Authority Executive Director June Mendell said, later, that the Authority is looking at many different sites for land to build 12 family units and one house for special needs. She noted the State Housing Authority prefers that local authorities build new houses rather than buy existing ones.

Mattapoisett Election

Every vote counts! The annual town election in Mattapoisett will be held from 10 a.m. to 8 p.m. Tuesday, April 4th, at Old Hammondtown School.

A Candidates' Night will be held at 7 p.m. Sunday, April 2nd, at Reynard Hall, Mattapoisett Congregational Church, sponsored by the Mattapoisett Woman's Club and the Mattapoisett Lions' Club, and will give voters the opportunity to hear the views of opposed and unopposed candidates.

The contested races include:

Planning Board - five year term: Richard E. Chase, incumbent; Christopher Jaskolka.

Mattapoisett School Committee - three year term: Ellen M. Driscoll, incumbent; Clara D. Morgan.

In an effort to thoroughly acquaint the public with this building proposal prior to town meeting, members of the Old Rochester Regional School Committee are making themselves available for public meeting discussion and review of the building proposal. They have put together a slide presentation which details the building needs and suggested solutions. The League of Women Voters of Marion, Mattapoisett and Rochester will be hosting one of these public meetings at the high school cafeteria on April 5th at 7:30. We urge you to attend so that you will be able to assess the merits of this proposal from an educated point of view.

Supt. Walsh to Speak

Old Rochester Regional School District Superintendent Joan Walsh will speak at the Rochester Memorial School on Monday, April 3rd, at 7 p.m. All parents and teachers are welcome. Coffee and desserts will be served.

"The Beacon" Appeals Hearing

by Virginia Morgan

The Board of Appeals hearing held last Wednesday on the application of Pleasant Street Development Corporation of New Bedford for a Comprehensive Permit to construct 31 single-family houses at "The Beacon" north off Park Street on about 18 acres was continued until 7:20 p.m. Thursday, April 6th.

Board members and about 35 interested citizens listened to Paul E. Cusson, President of the Development Company; Attorney John C. Bentley, Jr., Edward O. Sanchez, Mr. Cusson's associates; Manuel Garcia, engineer for the development; and a landscape architect and a hydrologist, who described the proposed development from the groundwater up to the roofs of the houses.

Early in the hearing when the opening remarks were being made by Mr. Cusson that the application was for either 31 or 49 units (30 percent of which would be affordable) there was a stir of comments from those attending. Serving as Chairman of the Appeals Board, Jane Zychowicz, and Daniel O. Mahoney, Clerk for this hearing, both attempted to have the developers and associates explain the different number of houses sought.

As explained by representatives of various boards and committees, including

Harvey Blanchette, Chairman of the HOP (Housing Partnership Committee); William H. Matthews, Chairman of the Planning Board; William Sketchley, Consultant hired for this project's determination; and the Board of Selectmen, it has been the understanding of these members that the application was for 31 units that they all agreed to support for state funding. It was explained that no actual funds would come to the developers from the Massachusetts Housing Finance Agency (MHFA) but the affordable homes would receive low-interest mortgages with these homes selling for $85,000 to $95,000.

Mr. Mahoney explained the property owners, Robert A. Cattley, Barry Denham and Bruce E. Rocha, would be paid $1.11 million maximum, depending on the number of units that are approved. As part of the agreement, Attorney Bentley said, "Pleasant Street Developers have agreed that if the plan is not completed by May 2, 1989, it will be extended to May 2, 1990 with a supplement of payments with one-half going towards the sale price and one-half going to the land owners."

The Comprehensive Permit can be granted by the local Board of Appeals and would allow the developers to be exempted from certain town by-laws (except wetlands and water and sewer). Mr. Mahoney asked Mr. Cusson, "which plan are we being asked to consider? You're putting a heavy burden on this committee with two plans."

Attorney Bentley explained the first proposal submitted to the MHFA was for a non-community supported 49 unit (17 affordable units) application for state funding. Subsequently, a memorandum of understanding was reached with the Board of Selectmen and the HOP Committee for 31 units (9 affordable) with community support. He further explained if the Appeals Board

approves the permit for 31 units but the neighbors protest and take the issue to the state Supreme Court, "we are keeping our options open with the 49 unit application as a defensive action to protect ourselves. If you, the Appeals Board, deny the permit, we can appeal to the state Appeals Board for the 31 or the 49 unit application."

Mr. Cusson explained the combined income for eligibility to purchase affordable housing units would be $20,000 to $33,000 per year for first time buyers. The buyers would be subsidized beyond the five or six percent interest paid by them. In the 70 percent of market homes town employees would have first preference at market sales prices of $129,000 to $139,000.

The engineer, Manuel Garcia, explained the water/sewer drainage issues. He outlined two alternative plans for the sewer system - one consisting of a lift station and a four-inch forced main coming out on Park Street to Hitching Post Road to tie into an existing manhole, at a cost of about $125,000. The second alternative, which he said the town prefers, involves a gravity line west to the railroad right-of-way, along the way to Acushnet Road to Route 6 by the Grange Hall, at a cost of about $105,000, plus some extra road work.

Water/Sewer Commissioner Charles A. Morgan commented that the gravity sewer system is the only one they would approve. "We don't want to be stuck with a forced main and lift station to maintain." A letter from Tighe and Bond, the water board's engineers, stressed that the gravity system would be less costly over the years and would be more beneficial to the town. Water/Sewer Superintendent William T. Nicholson gave the board and developers installation regulations that must be followed. Selectman John DeCosta explained the Selectmen have the authority to grant use of the railroad bed for the sewer system.

HOP Chairman Blanchette said the committee favors the 31 units, providing the conditions are followed. He noted that in two hours at this hearing he has heard more information than the committee heard in nine months of meetings with the developers.

The hydrologist addressed the wetland issue and explained the development is designed around the wetland - no filling will be done. She said the site had two drainage patterns - one to the south, the other to the north. "We are proposing to control the south area with a concrete head wall and pipe to allow only a small amount of water on to the railroad easement. In the north the water drains beyond the site of the development, and we are proposing a detention basin (an artificial hole in the ground) to regulate the flow. Environmental catch basins will be placed in the roads to flow to the basin." Mr. Cusson added that he will apply for a notice of intent to the Conservation Commission to get an order of conditions.

After an intermission, Mr. Cusson showed various house designs. The houses will

be wood frame, with cedar shingles, no more than two stories high, full basements, asphalt roofs. Under phase 1 the developer will put up three or four speculation market price houses. The market will dictate the style of house and when the balance will be built. He noted the market priced houses will have a few more interior amenities but that all units will have the same exteriors. Two affordable units will be built in the first phase (one, HOP; one, Housing Authority use) at the entrance to the development.

Appeals member Sylvia Fales asked Mr. Cusson, "With the market slow right now, what would happen if you didn't get to phase two?" Mr. Cusson replied, "We would build later. If we sold to another developer, that developer would be liable to the same restrictions." The project has 18 months to complete three phases unless the market changes.

Robert Paulino, a realtor and builder, questioned if the construction is going to be modular, stick-built or prefab. He expressed concern with modulars that sell for $39,000 to $49,000, then are put together on the foundation. These homes reduce the valuation of homes in the area. He felt there should be a covenant to the

Scout Camp in Acushnet, the Pot Luck Lunch on September 11th, and the Christmas Party.

It was voted to make a donation to the Plymouth Bay Girl Scout Council for sports equipment for Camp Greenbriar.

The regular meeting day has been changed to April 18th because the Tri-County AARP will be holding the 55 Alive Program on April 10th and the 11th at Rochester Town Hall. There will be a Penny Sale at this meeting and members are asked to bring items for this event. Material for the May-baskets will be given out at this meeting and members will be asked to take the baskets home and decorate them for the May meeting. This is an annual project for the club and the baskets are given to the homebound and ill members of the community and members of the club. Prizes will be given for the three prettiest baskets.

The Treasurer, Mrs. Reed, would like to remind members to bring in their raffle tickets as the drawing will be at this meeting.

Mrs. Mary Bena was welcomed as a new member to the club.

Guest speaker Mrs. Rona Zable, editor of the Senior Scope, spoke about how the paper had grown since it began five years ago. She asked the members to become writers for the Down Memory Lane Column by telling about some of their experiences growing up in the community. She also asked them to think about writing about family life in their time and how interesting it could be for family members to have this to read in the future.

National Grange Master Robert E. Barrow has issued a Proclamation to celebrate Grange Week, held during this month, a National Celebration of Rededication and of Renewal, featuring the Grange motto, "In Essentials Unity, in Non-Essentials Liberty and In All Things Charity."

Subordinate Deputy of the State Grange Carol St.Don will be present for an official visitation at the Marion Grange. Lecturer Olliemae Gifford will have a Conservation contest and a special program during the lecturer's hour.

Mrs. Evelyn Barrows will be in charge of the social hour after the meeting which will be held Thursday, April 6th, at the Marion Grange #339 on Route 105 in Marion at 7:30 p.m. In the center of town a display about the Grange may be seen in a store window.

Spring Fashion Show

The Old Rochester Regional High School will be once again holding their annual Spring Fashion Show.

The fashions are designed and made by the students involved. It will be held on Saturday, April 8th, in the Bristol Auditorium at the high school. The show will begin at 7:30 p.m.

The setting is reminiscent of Cinderella's castle. Admission is $4.00 (adults) and $2.50 (students). Tickets will be available at the door. Proceeds will help defray the costs of our trip this year to Ottawa.

Girls' Summer Softball

The Recreation Commission would like to run two girls' softball divisions this summer: a Junior Division for grades 4, 5, 6 , and a Senior Division for girls in grades 7, 8, 9, 10.

To determine if there are enough girls interested in playing who are now in grades 9 and 10, Daune Smith requests that you call her at 758-9369 this week to let her know. If there are not enough girls for two divisions, the softball program will remain the same as last summer.

Woman's Club Scholarships

COLLEGE AND RE-ENTRY

The Mattapoisett Woman's Club has announced that again it will be offering three scholarships of $1,000 each. This year the scholarship amount has been increased to $1,000 each.

Two scholarships will be awarded to high school senior girls who are either Mattapoisett residents or whose mothers are members of the Mattapoisett Woman's Club. Applicants must have applied to and/or been accepted into a college program. Applications are available in the Guidance Departments of area schools and must be returned completed to these offices by April 25th.

The third scholarship is awarded to a Mattapoisett woman or Mattapoisett Woman's Club member who is continuing her education after a significant period of interruption. Applicants must have a secondary school diploma or its equivalent and have applied to or been accepted into a post secondary degree or certification program. Deadline for this application is also April 28th.

An Open Letter

TO: The Superintendent of Schools, members of the Mattapoisett School Committee and Concerned Parents

At the coffee hour following the Church Service Sunday, I was shocked to learn that Katherine Kozicki had tendered her resignation as principal of Center School.

As a former member and chairman of the same school committee, I realize that when a person resigns there are often pros and cons to which the public is not privy. Nevertheless, to lose Mrs. Kozicki, to me, would be tragic. During the past five or more years, I have had several discussions with her concerning specific pupils. At these meetings she has impressed me with her broad knowledge of early development problems and a clinical understanding of how to deal with them effectively. Fortunately, I have had an opportunity to work closely with teachers and educators who took my graduate course in Educational Psychology at BSC over the past twenty plus years. Many of them demonstrated an understanding of the issues facing elementary school teachers but few have shown the ability to apply this knowledge in a

practical setting to the extent demonstrated by Mrs. Kozicki. Recently I wrote a letter, printed in Presto, lauding the performance of the children who presented the Nutcracker. The evidence of quiet discipline and eager participation on the part of students is most impressive and I am certain Mrs. Kozicki deserves much of the credit along with her fine musical staff. In addition, I have often heard parents speak with pride when discussing their children's experiences at Center School. To the children, Mrs. Kozicki has stood for a firm yet gentle hand, a person who not only know their names but cares about them personally. Moreover, her manners and dress are always so impeccable that it is sure to have a lasting impression on their young minds.

To allow such talent and ability to go unnoticed and to lose such a fine educator will be a serious blow to our early educational system in Mattapoisett. Therefore, I encourage any of you parents who feel as I do to convey your feelings and impressions to the School Committee members in the hope that they can reverse Mrs. Kozicki's decision. Thank you.

10, 1989, she is requesting "to resign for the purposes of retirement as a principal in the Mattapoisett Public schools, effective June 30, 1989." A request was made at the school committee meeting of March 13, 1989 by Ellen Driscoll to table the letter of retirement in hopes that Mrs. Kozicki might reconsider. Mrs. Kozicki stated that she had thought long and hard about this decision, that she had already contacted the Massachusetts Retirement Board, and would appreciate the committee's cooperation by granting her request to retire.

I agree wholeheartedly with all the accolades expressed for Mrs. Kozicki in his letter. The entire committee expressed similar feelings at their meeting of March 13, 1989.

As a school committee member, the daughter of two retired elementary school administrators, and the mother of five children, I know Mrs. Kozicki's worth from both sides of the table. I consider the replacing of Mrs. Kozicki at Center School as perhaps the greatest responsibility I have faced during my seven years as a school committee member.

The school committee can appreciate his distress, and hopes that the people of Mattapoisett will respect Mrs. Kozicki's decision and take the time to express to her their gratitude for her fine service to the children of Mattapoisett.

Open Letters

S.C.O.R.R., a group of concerned and supportive students, staff, and community members, applauds the thought and effort that has produced the ORR renovation plan.

We wholeheartedly endorse a concept which promises to guarantee an ongoing maintenance and improvement program for the District school buildings and grounds.

We encourage members of the community to examine the list of renovations and to attend the public presentations reviewing them.

An area of concern continues to exist for us: In their present condition, most of the schools' outdoor playing areas are so deteriorated that they do not meet MIAA standards necessary to host competitions. In addition, their inadequacies have adversely affected the ability of the schools to offer our own students recommended physical education and intramural opportunities.

We understand that the committee is presently researching the needs and costs of improving our athletic facilities. We are pleased that they have taken these extra steps to provide all of us with a more accurate assessment of the schools' needs.

S.C.O.R.R. members are committed to the continued excellence of all phases of the school programs and readily welcome the well-intentioned improvements promised by the renovation bond issue.

OPEN LETTER
TO MATTAPOISETT PLANNING BOARD
RE: Proposed Zoning By-Law
Articles A, C & F

This letter is to convey my concerns on the proposed zoning articles. Some of the wording may cause difficulties which, if unintended by the proponent, will be worse than the ill they are supposed to cure.

Article "A" would define a lot as all land in "contiguous single ownership". This would present difficulties to the owner of a large parcel who properly divides his land into several conforming lots in compliance with zoning and then attempts to build a home upon each of these lots. The Building Inspector would have to deny subsequent permits since the "lot" as defined in this article would already have one house upon it.

Article "C" is defining wetlands using language out of Chapter 131 of the General Laws, and mixing apples and oranges in the process. The words "coastal storm flowage or flooding" do not belong in this definition. If this definition of wetlands does prevail, a lot of people who own good, dry land along the coast, which happens to fall within the flood areas of the FEMA maps, will find that they have useless land when this def-

inition is applied to the proposed Article "F" below.

The use of the term coastal flowage is also nebulous in that a frequency of occurrence is not specified. Currently four zones are defined on the maps. Zones "V" and "A" are areas with a 1% per year frequency, Zone "B" has a frequency of 0.2% per year, and Zone "C" is the rest of the land having a lesser chance. A frequency of 0.2% per year is a so-called 500-year storm. In the great flood described by Noah, I suspect even Zone "C" land was affected, so where is it intended for us to draw the line? A nearby town has adopted similar language in some of their By-Laws, and are now finding the Building Inspector denying building permits all over town until the applicant files with the Conservation Commission and the Board of Appeals for a Special Permit. This is a needless, costly procedure, both in dollars and time lost. In many cases, the procedure is required in highly urban areas with no real wetlands within several hundred yards of the locus. At least they provide a route for the landowner to proceed to a building permit. In this series of proposed By-Law changes, no route of relief is provided except through the courts. Those cases are very costly and extremely difficult to win.

The administration of this provision will require landowners to have their land flagged by a wetland specialist, approved by the Conservation Commission, and located by a surveyor to be shown on a simple Form "A" plan. The cost just keeps

escalating. A recent article in the Boston Globe described Massachusetts as having an acute housing affordability problem and cited "unreasonable zoning restrictions" as part of the fundamental cause. As a professional working for over twenty-five years in this area trying to assist people in their quest for housing, I have seen this creeping paralysis of laws and regulations take over our communities and short circuit the dreams and aspirations of a lot of good people.

Article "F" has a problem in that a single percentage (25%) applied across the board in all districts affects each differently. An in-town lot of 10,000 square feet could only have 2,500 square feet of wetland associated with it. This leaves 7,500 square feet of buildable land. Assuming town water and a septic system, this parcel can be built upon with favorable percolation tests, but could present difficulties. On the other end of the spectrum, a lot in the 40,000 square foot district would have to have 30,000 square feet of upland to become a legal lot. That is far more land than is necessary to locate a well and septic system, and four times the buildable land required in town.

I do not believe this By-Law is needed in that current Board of Health regulations and environmental law effectively dictates the useful configuration of upland necessary for building. Artificially inflating to absurd proportions the upland required for a lot will merely have an adverse effect on many property values.

Thank you for considering my concerns with respect to these three Articles and I hope you agree that more thought needs to be given to them before you recommend them to the town meeting.

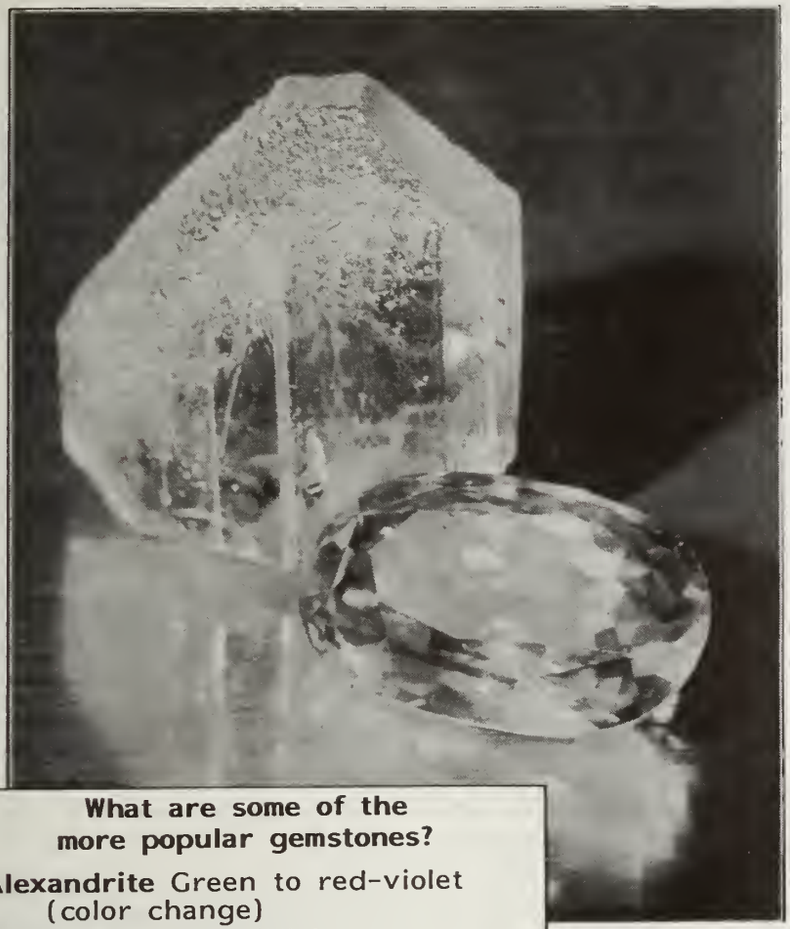
Gemstones Add More Color to your Life!



What exactly is a precious gemstone?
Only the finest quality specimens of rare minerals are considered precious gemstones.

What colors are there to consider?
Gemstones offer a wide variety of color choices:

Single Color Some stones come in one color only, and in variations or degrees of that one color. (Example: Ruby, variations of red)
Various Colors Some stones are found in more than one solid color. (Example: A Topaz can be found in orange, blue or pink)
Multi-Color Some stones have several or mixed colors in one stone. Examples: Andalusite can exhibit green, orange and yellow in a single stone. Bicoloring can occur in tourmaline in mixtures of blue-green or pink-green.)
Rainbow Color Some types of stones can be found in a rainbow range of different colors. (Example: Tourmaline can occur in variations of yellow, blue, pink or green.)

What are some of the more popular gemstones?

Alexandrite Green to red-violet (color change)
Amethyst Purple/Violet
Andalusite Green/Brown
Aquamarine Blue/Green
Chrysoberyl Yellow/Green-Yellow
Citrine Yellow/Gold
Diamond Rainbow
Emerald Green
Garnet Rainbow, ex.blue, and including Tsavorite green
Kunzite Pink
Opal Iridescent, fire, red, orange
Peridot Green
Ruby Red
Sapphire Rainbow
Tanzanite Blue/Violet
Topaz Orange, Blue, Pink
Tourmaline Rainbow

With all these choices, what is the best stone to buy?
Choose a stone you like and can enjoy, whose color fits your style, and the best quality you can afford.

Why is the quality of the stone so important?
Generally, a smaller stone of fine quality is more desirable (and more valuable) than a larger stone of poor quality. Your best value is in the finest stone available that fits within your budget.

How is the quality of a stone evaluated?
By grading its color, clarity and cutting. While clarity and cutting are judged by fairly constant parameters, the color is really a matter of personal preference. Your jeweler can give you guidelines as to which colors are most expensive and, in turn, more valuable.

Call Monday through Friday, 9 a.m. to 12 noon, for an appointment for this valuable service.

Council on Aging Trips

DAY TRIP

On Thursday, April 6th, the van will be going to the Christmas Shop in Falmouth and having lunch in town. We will be leaving at 10 a.m. from St. Anthony's parking lot.

MOTORCOACH TOURS

There are just a few seats available for our Maine trip on June 11 through 13 at the Anchorage in Ogunquit. The Mattapoisett Council on Aging has brochures or call Rose Roeder (758-4571) or Florence Huetteman (758-2972).

Plan ahead now for our Alpine Countries Tour to Switzerland, Austria and Germany leaving October 2nd for 15 days. Details will be in a later issue, but at the April 14th Seniors' meeting there will be slides of this trip and all are invited. The meeting is held in St. Anthony's Church at 1:30 p.m. These trips are not exclusively for seniors or Mattapoisett residents. Brochures are available now at the Council on Aging office or call Rose Roeder (758-4571) or Florence Huetteman (758-2972).

Search for New Principal

ANNOUNCEMENT

At its meeting of March 13, 1989 the Mattapoisett School Committee accepted with deepest regret the resignation of Principal Katherine Kozicki, for purposes of retirement, from her position as Principal of the Center School in Mattapoisett, effective at the end of this present school year.

The school committee has established a Search and Screen Committee to participate in the process of selecting a new principal. One member of that committee will be an interested community member.

Applications for the principalship will be due in the office of the Superintendent of Schools on April 14, 1989. Persons interested in serving on the Search and

"Must See" Basketball for MMR

LADY BULLDOGS FACE STIFF COMPETITION

The Lady Bulldogs basketball team of Old Rochester Regional High School will face its toughest competition on Friday, March 31st, when it plays Old Rochester staff members. Observers at staff practices report the team has considerable depth and exceptional talent. Player-Coach Michelle Roy is pleased with the program her team has made in a matter of days. Ms. Roy is being assisted in coaching by Sylvia Ouimet. The Lady Bulldogs will encounter fierce defense under the boards from Nancy Duggan, Claire Flynn, Judy Pretat, Carol Fletcher, Betsy Foster, and Pat Harrington. The shooting skills of Michelle Roy, Faye Miles, Polly Lawrence, Marge Aleardi, and Mary Kelleher will put the staff on the scoreboard. The shooters can handle the inside and outside shots and are looking good from the 3-point line. According to the coach there are several very quick, aggressive guards including Nancy O'Brien, Linda Boucher, Judy DeMailley, Linda Borges, Barb Meehan, Susan Geer, Judy Johnson, and Penny Busher. Comments from team members indicate they will show no mercy to their young opponents. The staff team will have its own cheering squad including Cindy Binder,

GIRL SCOUTS BRIGHTEN SENIORS' EASTER

Rochester Troop #39 Daisy Girl Scouts in coordination with a group of girls from the Brownie Troop #71 put together a very colorful Easter decor for the Rochester Senior Citizens' Easter Dinner on Thursday, March 23rd.

The Daisy Scouts created colorful placemats for the Seniors' holiday meal while the Brownies provided centerpieces of Easter Bunnies filled with brightly colored Easter eggs.

All of these scouts donated their time to painstakingly draw, paint, color and decorate by hand each item provided for the seniors' dinner settings.

The reward for each of the girls was the

VIETNAM ERA GI BILL BENEFITS TO END THIS YEAR

The most widely used GI Bill of all time is in its final year and the Veterans' Administration is alerting thousands of Vietnam Era veterans that their eligibility period is about to end.

On December 31, 1989 education benefits will expire for some 750,000 veterans the VA estimates are still potentially eligible, some of whom are enrolled in schools and receiving assistance.

Under the law, the VA will stop sending GI Bill payments to veterans attending

school or in training programs resulting from qualifying active-duty service between January 31, 1955 and January 1, 1977.

Some 60,000 currently enrolled veterans will receive periodic reminders of the December 31 deadline with their VA educational checks this year.

The VA encourages veterans to take advantage of their remaining eligibility by enrolling in classes before the end of the year. However, all VA assistance will end on DECEMBER 31, the VA cautions.

Not affected by the expiration date are veterans enrolled in the VA's other current education programs, including those enrolled in the Veterans' Educational Assistance Program and the Montgomery GI Bill for active duty, reserve and national guard members who served after June 30, 1985.

Veterans in doubt about their eligibility for education benefits should contact the nearest VA Regional Office.

The Vietnam Era GI Bill has so far provided benefits to some 8.1 million veterans, which exceeds the 7.8 million using the original World War II bill benefits. Korean Conflict veterans who particiapted in the GI Bill totaled 2.8 million.

Since 1944, the VA has delivered $69.7 billion in educational and training assistance to more than 20 million veterans, dependents, active duty members and reservists.

rill Lynch International Series presents Mazowsze in their 8th North American tour. Tickets are priced at $22.00, $20.00 and $18.00 with a $2.00 discount for senior citizens and students. Tickets are available at all Ticketmaster locations or by calling Ticketmaster at (617) 787-8000. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900.

The Mazowsze touring company numbers 100 dancers, singers and orchestra members, and travels with 98 trunks to accommodate all the costumes and props. This colorful troupe performs the native dances and songs of Poland's varied regions, garbed in authentic folk dress. During the course of each evening's program of song and dance, the dancers wear more than 1,000 costumes which represent dozens of Poland's regions.

Mazowsze was founded in 1948 by Tadeusz Sygietynski, a composer and researcher of Polish folklore, and his wife, Mira Ziminska, once Poland's leading actress who had turned to costume and stage design. They established a colony at Karolin, an old estate 20 miles outside of Warsaw in the central plains of Poland called Mazowsze, naming their company after that region. Sygietynski and Ziminska traveled across war-torn Poland auditioning youngsters who would study and live at Karolin, perfecting their presentations of the varied regional dances and songs, preserving their native arts in a quickly changing world.

By 1950 Mazowsze was ready for its first full performances inside Poland, and by 1951 had made its first tour abroad, to Paris. Since then, Mazowsze has literally covered the world in its performance tours, still led by Mira Ziminska.

HOST AWARENESS HOURS

The Marion Center for Human Services invites local residents to a series of spring Awareness Hours, to be held at the Center's offices at 335 Wareham Road in Marion, from 10:00 a.m. to 12:00 noon on four Saturdays in April and May.

The first awareness hour will be held on Saturday, April 8th, and is entitled "Addiction, Recovery and Meditation: Practices in Being God and Not-God". This session will be led by the Marion Center's Clinical Director, Arthur Sklut, Psy.D. Dr. Sklut will introduce participants to a practice of meditation -- and will discuss the ways in which meditation can be particularly useful for recovering alcohol-

ics, substance abusers and their families.

"Most of us, and especially alcoholics, tend to think we're God -- we think we can control everything", Dr. Sklut comments. "What happens to alcoholics in recovery is that they come up against something that they can't control, and they learn to let go. Practices in letting go are a critical part of all personal and spiritual growth." Dr. Sklut will introduce a meditation practice that facilitates this critical letting-up process.

The second awareness hour will be held on Saturday, April 22nd, and will feature a film narrated by Sharon Wegscheider-Cruse, entitled "Co-Dependency Update", which offers insight and alternatives for family members of alcoholics and substance abusers. On Saturday, May 6th, the third awareness hour will focus on women and alcohol. A film will be shown, entitled "Women and Alcohol: Through the Looking Glass", narrated by Carol Burnett.

The fourth awareness hour will be held on Saturday, May 20th, and will feature a discussion of help and alternatives for parents under stress. This awareness hour will be led by Marion Center Social Worker Carol Stern, LICSW.

The awareness hours are all free of charge, although donations are welcome. The Marion Center for Human Services is a community-based multi-service mental health center

Project GROW

"LOVE, DISCIPLINE & DEVELOPMENT"

Project GROW plans to celebrate the Week of the Young Child by bringing an outstanding speaker to our area, Dr. Rob Evans of Human Relations Service, Inc., Wellesley, MA. His presentation for parents and early childhood professionals will help adults to better understand and lovingly deal with the young children in their lives. Dr. Evans' extensive experience in counseling young children and their families as well as speaking to groups promises an interesting evening.

"Love, Discipline, and Development" will be presented by Dr. Evans on Tuesday, April 4th, at 7:00 p.m. in the Sippican School library. All area parents and early childhood professionals are invited to attend.

STUDENTS PARTICIPATE IN MATH MEET

Recently Old Colony Regional Vocational Technical High School participated in a Math Meet with four other regional vocational technical schools from the southeast region. Students Krista Brassil, Bob Batchman, Mike Hammerquist, Keith Jodoin, and Becky Panek competed in the event which led to a third place finish.

The meet consisted of three rounds with three math problems per school. Other area schools competing in the meet with Greater New Bedford Voke, Bristol-Ply-

STUDENTS VISIT WHALING MUSEUM

Old Colony students studying the works of Herman Melville got a glimpse of the writer's world when they visited the New Bedford Whaling Museum recently.

Deborah Herrmann, an English teacher at Old Colony, explained that the students saw the film "Down to the Sea in Ships" which showed actual footage of a whaling expedition. Students also explored a ½ scaled whaling ship displayed and housed at the Whaling Museum. Students were especially amazed by the scrimshaw work displayed throughout the museum.

This trip was funded by the School Improvement Council.

STUDENTS COMPLETE "JEOPARDY" STYLE GAME BOX FOR TABOR

A combined effort of the Carpentry and Electrical Departments at Old Colony Regional Vocational Technical High School recently completed a "Jeopardy" style game box for Tabor Academy.

The solid cherry chest used to house the electrical components needed to operate the game was constructed by Juniors in the Carpentry Department under the direction of Instructor Robert Francis.

The design and construction of the electrical circuit was completed by Seniors in the Electrical Department under the direction of Instructor Michael Forand.

The unit will be used to identify the first person or team responding to questions posed by the game show moderator. Leslie Geil, Director of Student Activities at Tabor, indicated that she was impressed with the unit's appearance as well as its ease of operation. Tabor's Faculty Knowledge Bowl scheduled for May will be the first opportunity to use the new unit.

eye talk

Q. Can eye exercises really straighten crossed-eyes?

A. You are probably referring to a treatment program called vision therapy. It uses various training procedures that are sometimes confused with eye exercises.

Vision therapy does not exercise the eyes in the sense of making eye muscles stronger. Instead, it uses repetition of specific procedures to sharpen or improve specific vision skills.

It has been highly successful in treating crossed-eyes because, unlike surgery, vision therapy attacks the root cause -- usually an inability of the eyes to work together as a team.

Optometrists skilled in providing vision therapy say it takes 3 to 12 months to achieve normal eye teaming, depending upon the severity of the problem. Studies show that 76 percent achieve straight eyes and normal vision with vision therapy, compared to 33 percent who undergo surgery.

Lloyd Center

THE STARS OF SPRING

Explore the moon, the milky way, other planets and constellations while staying firmly planted on the ground during a Lloyd Center Weekly Walk titled "Stars of Spring", offered on Sunday, April 9th, from 7:30 to 9:30 p.m.

Ethan Guiles, Lloyd Center Education Intern, will teach participants various constellations, how to identify them and the mythology and folklore surrounding them. Springtime is a prime time of the year to view the heavens and stargaze for new perspectives, so join us for this evening of celestial learning. Participants will meet at the Lloyd Center and then go from there to a place to be announced.

This walk and all Lloyd Center weekly walks are free and open to the public thanks to the generosity of Marianne MacDonald Real Estate in South Dartmouth. Please call ahead to register at 990-0505.

In "Z" Mood

The Zeiterion Theatre will present "In 'Z' Mood '89, A Big Band Benefit Concert and Dance" on Saturday, April 15th, at 8:00 p.m. The 28-piece Meadow-Larks band, under the direction of Ed Rodrigues, is returning for this second annual Big Band benefit. By popular demand, the band will

be located front and center stage for the entire evening. Tickets are now on sale for this event which was a spectacular sell-out last year. All seats are reserved at $10.00 per person. For more information call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 787-8000.

The first half of the evening will feature in concert the music of the Meadow-Larks with soloists and vocalists. This year, the band's sound will be enhanced with the addition of a 10-piece string section. Many of the musicians of the Meadow-Larks have played with the famous Big Bands such as Tommy Dorsey, Victor Lombardo and Jimmy Dorsey along with well-known artists like Bob Hope, Robert Goulet, Wayne Newton and the Lawrence Welk performers.

For the second half of the event, the band remains front and center stage, performing not only those Big Band sounds of the 30s and 40s but the favorites of each decade to the present time. At this time, the audience is encouraged to dance on stage in the special ballroom atmosphere or can just sit back and enjoy the music.

During intermission there will be three drawings for tickets to the Zeiterion's 1989 Summer Broadway Musicals.

"In 'Z' Mood '89" is supported, in part, by the Massachusetts Arts Lottery, as administered by the New Bedford Arts Lottery Council.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford.

An Afternoon of Ragtime

The YWCA is pleased to announce an afternoon of ragtime. On April 2nd Dr. Edward Fitzpatrick, professor of music at Southeastern Massachusetts University, will offer a variety of piano selections featuring Scott Joplin and other early ragtime composers.

A highlight of the program will be a series of original compositions written by little-known women composers. Dr. Fitzpatrick

personal effects which belonged to individual whalemen.

American whalers often made the Azores their first port of call for recruits and supplies. From the 1840s on the American whaling industry increasingly relied on Azoreans for crewmen. Many of the men made a career in the industry and by the 1880s had advanced to become captains, officers or agent/owners of vessels. Many also settled permanently in New Bedford and made important contributions to the growth of the city as well as the whaling industry.

Materials in the exhibition have been gathered from the Museum of the Whalemen of Lajes do Pico, Azores, from descendants of whalemen, both in the United States and in the Azores, and from the Whaling Museum's own collection. The Museum has received support and encouragement from the Azorean Departments of Culture and Emigration. Dr. Mary T. Silvia Vermette of Dartmouth is serving as visiting curator of the exhibit.

Two lectures will be offered at the Museum in conjunction with the exhibit. On April 13th at 8 p.m. The Museum and the Casa da Saudade branch of the New Bedford Free Public Library will sponsor a lecture in Portuguese, "Relacoes Baleeinas dos Acores e dos Estados Unidos", by Joao Afonso, the Librarian at the Public Library

CAST CALL

The Gateway Playhouse production of Chekov's Three Sisters will open on Friday, May 5th. According to Director George W. Hayden, 9 males are needed to fill the cast of this romantic drama produced in the spirit of Glasnost. Training will be given to those applicants seriously committed to the study of this Russian play. For more information call 295-6768. Also, contact Director Dr. Don Thomas (295-6768) if you are interested in auditioning for the summer opening of the upstairs Gateway Playhouse with a flamboyant production of Oscar Wilde's ever popular comedy The Importance of Being Earnest. Roles are open in this and upcoming shows at the Gateway Playhouse.

ARTISTS NEEDED TO EXHIBIT WORKS

Artists and craftsmen who wish to exhibit their works during any of the upcoming shows at the Gateway Players, and sell their works to the theater-going public may phone 295-6768 to make time slot arrangements.
